“I have been using American Eagle Drawer Sets for a few years. We have never had any problems with any of the products. When I first looked at them, I was told to get up and stand in one of the drawers. I did! I was impressed, as I am a big man, and fully expected it to collapse.”

“We install the drawers on all our new units. We have tried other brands of toolboxes, and they didn't stand up for us. In my opinion, American Eagle Drawer Sets are the finest quality truck mounted toolboxes. They are a great product. I plan on retro fitting more of my units with American Eagle drawer sets.”
